SHAKESPEARE

DUOLOGUES AND SOLILOQUIES WORKSHOP

The Duologues & Soliloquies workshop will offer an introduction to all new-comers, as well as a recap for those already familiar with Shakespeare, to some of the greatest plays and most famous characters ever written by the world's most popular playwright, William Shakespeare!

Using traditional acting techniques and fun games, Ross Muir's workshop makes Shakespeare understandable and accessible for all ages and abilities!

Learn how Shakespeare uses language to tell his exciting stories and explore how to speak the words in such a way that the drama, action and the colourful characters jump right off the page!

All children should experience exploring Shakespeare in this way!

Get the chance in this workshop to rehearse and perform fun and exciting duologue scenes including the slapstick comedy of Kate and Petruchio from *The Taming of the Shrew*, the witty banter of Benedick and Beatrice from *Much Ado About Nothing* and the murderous exploits of Macbeth and Lady Macbeth from *Macbeth*.

Plus try out some of the Bard's greatest soliloquies spoken by Romeo, Hamlet, Henry V, Rosalind, Viola and Juliet.

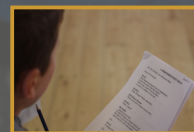

Ross Muir's wealth of knowledge and experience as a professional actor includes over 20 years working with Worthing's own Rainbow Shakespeare performing open-air Shakespeare plays at Highdown Gardens.

Ross will help young actors to create confident, lively, well-rounded and truthful performances when they are on stage and give them a deeper appreciation and understanding of the famous Bard!
