

LAMDA – IMPORTANT INFORMATION

PLEASE READ and then **TEXT Mitch** to let him know you have read the information.

NEXT WEEK YOU GET AN EXTRA SESSION!

Week commencing October 5th

Mitch is going to give you an extra half hour *after* your usual session to check on your speeches and give advice on anything you may be having an issue with. Ross will have fed back all information regarding your speeches and areas you may need more assistance, but Mitch will work generally on:

Pitch
Pace
Pause
Inflections
Colouring of the voice
Body language
Volume
Any other issues...

This session is given **FREE**, so please let us know if you **CANNOT** make it.

BUDDY PAIRS

Ross has worked out your buddy pairs so I will text parents who are **PAIRED**, with contact details.

Could you then organise a zoom session for the students?

We will just be pairing. This really helps to perform your speech to someone else involved in the exams, explore speeches, characters, and background.

Please note that not all students have been paired.
