OTHER

Here you can write a little bit about yourself, or what you like.

EXAMPLE: I love spending time at our beach hut flying my kite. Our dog is called Cally and she's my best mate.

I'm really energetic and love running, playing rounders, basketball and tennis in my spare time. I live with my mum and two sisters. I'm the only one in the family who loves acting and creating characters.

PHOTOS

You will have your MAIN photo taken of you on the intake day.

However, we want to see you in a few other lights. It would be great to see you on holiday with ice cream around your mouth or wrestling your pet hippo in the garden. Time with nan and grandad, mum and dad, brothers and sisters, on the beach, in London ... you get the idea!

No more than 6 images please. You can include those in your reply to this email or Whatsapp them to Mitch on 07788 497 779

VIDEO

This is very important as it will show the casting people what you sound like and how you present yourself.

This will be filmed on the day and added to your page SO IT NEEDS TO BE WELL PREPARED as we won't have much time to spend filming it. We may ask you to film it at home also and choose the most prepared one.

Think of the following when rehearsing:

- No longer than 30 seconds
- Don't include time sensitive information (I'm going on holiday in 3 weeks | I just passed my flute exam | I'm 13 | I'm moving house next week etc)
- Be as natural as you can – don't be a robot. THE CAMERA IS YOUR BEST FRIEND. SPEAK THROUGH THE LENSE AND TO YOUR AUDIENCE

So, something along the lines of (but don't copy this) ...

I live by the sea and have always loved acting and creating characters. My aim is to be on the west end stage and to appear in a movie. I really like playing fun characters BUT I have been told I'm good at evil ones too! As a person I come across quite shy but when I'm acting, I come alive. My dad's a guitarist and we often sing duets, so that's fun. My favourite actors are Meryl Streep and benedict Cumberbatch because I believe everything they do. Acting and showbusiness is my life and I'm never happier than when I'm on stage or in front of the camera!

You may also want to add ...

What actors do you like

What type of films do you like

What are your aims in your career

Where do you live and do you have brothers and sisters, pets etc

Do you have a funny short story you can tell us

FINISH with a positive line, as above (Acting and showbusiness is my life and I never happier than when I'm on stage or in front of the camera!)

Just be yourself above all as they will just love watching and listening to you!

You can also Whatsapp a video tryout beforehand to Mitch via Whatsapp and he can give you some extra pointers if needed. 07788 497 779
