

BOOK TODAY – OCTOBER HALF TERM!

THE HORROR AND HALLOWEEN WORKSHOP.

OUR MOST POPULAR WORKSHOP EVER for ages 6-18 ... friends and siblings welcome!

Led by the King of horror and ham himself, Artistic Director Mitch and his flea-bitten sidekick, Ash, who always has a story or two to tell!

We are joined, once again, by horror make-up expert, Terrible Tash!

Join us for a fabulously horrific and creative day where students will come in clothes they don't mind tearing to shreds! Have make-up splurged on them and come home looking like they have been through a zombie apocalypse (like they have just woken up!)

Learn the origins of Horror and Halloween and create great characters and mini plays!

THIS IS ALWAYS COMPLETELY SOLD OUT SO GET IN QUICK!

It's going to be FANGTASTIC!
